# Nashville Baptist Association

## Mission Statement

The Nashville Baptist Association exists to cultivate and connect churches throughout the Greater Nashville Area to fulfill the Great Commission.

## Core Values

- **Biblically and Spiritually Based-** We will be biblically based, practicing spiritual disciplines such as prayer, evangelism, and discipleship.
- **Church Focused-** We will assist Churches to be healthy and on mission. (Acts 1:8)
- **Missional-** We will assist churches to become involved in Kingdom-focused initiatives to reach the world for Christ.
- **Strategic-** We will intentionally assist churches to implement a contextually relevant mission plan.
- **Catalytic-** We will take initiative in leading and creative ways that enhance and add value to the ministry of the local church.
- **Relational-** We will add value to the local church by developing broader strategic relationships that produce Kingdom results.

## Four Focus Areas

- **Connections-** Bringing together leaders, resources, and missional strategies in partnership between churches. We create vibrant and dynamic fellowship through consistent communication, strategic networking, and intentional relationship building.
- **Leaders-** Caring for our pastors and ministry staff members. We see to it that every pastor and minister in our network is encouraged in their work, connected to other pastors/ministers, and cared for in the context of their specific needs.
- **Planting-** Assisting in birthing new churches around our city. We help churches by identifying locations, assessing planters, training leaders, and securing funding in order to see faithful congregations in every community in Nashville.
- **Revitalization-** Helping existing churches navigate their journey forward. We facilitate new life in churches that are in transition through discerning, resourcing, and bringing clarity to God's purpose and vision for their future.

# Executive Director

*Rusty Sumrall*

I am thankful that most of the Covid restrictions were lifted by early 2021, as I was eager to get back out into the churches.

We began the association year with a Ministers/Wives retreat at Whitestone Country Inn. Ten couples experienced two days of renewal and relaxation. Thank you Becky Sumrall who led the retreat with me. We look forward to another retreat in 2022.

I was blessed to attend worship at 20 of our churches during the past year. I was able to participate in homecomings, deacon ordinations, and building dedications. Praise God for the way our NBA churches have continued to move forward during the new Covid reality!

Thank you to Steve Durham and John Gardner who spent many hours with me during the last 17 months, guiding all the details needed to rebuild the NBA building after the tornado. These two men led the project during the past 17 months. Steve Durham even crafted a beautiful table for the new small conference room. We have an updated building that is functional, attractive, and inviting for ministry training.

A mission team from McMinville (pictured) helped move furniture back into the building one weekend in June.

The NBA took the lead in planning Crossover, in partnership with NAMB and TBMB, as part of the SBC annual meeting. We provided three training sessions and materials for churches in Middle Tennessee who wanted to participate. Twelve of our NBA churches participated with glorious results: 1522 in worship for "Who's Your One" Sunday, 3659 homes visited, 1605 gospel presentations, 38 salvations, and 99 other decisions.

Thank you to the following churches who participated:

- Bellevue Baptist
- Dickerson Road Baptist
- Faith Baptist
- Grace Baptist
- Haywood Hills Baptist
- Judson Baptist
- Madison Heights Baptist
- New Day Church
- New Season Church
- Pegram FBC
- Refuge Church,
- Iglesia Refugio
- Shelby Avenue Baptist

Thank you to our History Committee who has continued to work an extra year to help the NBA celebrate 120 years of ministry at this annual meeting: Charles Parker, Ray Clubb, Cynthia Scott, Sam Creed, and myself.

I praise God for our excellent staff each time we look at our priorities to guide our ministry for the churches of the NBA. Here are some of our goals for the coming year:

Each year as I write my report, I praise God for the pastors, staff, and lay leaders of our NBA churches. God has uniquely prepared us to reach Middle Tennessee together.

We are better together!

We are the Church serving together!

God bless each of you. Thank you for your support of the NBA.

# Leaders Ministry

*Rusty Sumrall*

At the NBA, we make caring for our pastors and ministry staff members one of our four main priorities: We see to it that every pastor and minister in our network is encouraged in their work, connected to other pastors/ministers, and cared for in the context of their specific needs.

During the past year, two pastors cohorts met every month to support pastors from churches of different sizes. One of the cohorts was pastors of churches that have a worship attendance of less than one hundred. The other group was for churches with more than 100 but less than 250 in attendance. We studied a book, shared ideas, prayed, and had fellowship as a part of every meeting.

Three other pastors groups met each month for a time of encouragement and enrichment. Thank you Scott Patty, Jeff Mims, and Joe Frejosky for leading these groups.

I was blessed to participate in four ordination services this year. Praise God, He continues to call men to serve in our NBA churches.

The Ministers/Wives retreat at Whitestone was a time of fellowship, encouragement, renewal, and relaxation for 10 couples. We hope to repeat this event every year.

Ministers/Wives Retreat

Church planters met several times during the year, online or in person, for enrichment and fellowship. Thank you to Dwayne Lewis and his team for all the support you give to our church planters.

Transitional Pastors' training, Aug 2021

Discipleship Training, Aug 2021

Brett Boesch, our newest staff person, is eager to minister to our International pastors. He is busy meeting them and is making plans for future ministry to International pastors and their families.

Your NBA staff are the minister's best friend. We are each available to train, coach, or just listen.

# Ministers' Wives Ministry

*Becky Sumrall*

So finally, brothers and sisters, in the *name of our* Lord Jesus, we ask you, we beg you to remember what we have taught you: live a life that is pleasing to God as you are already doing. Yes, we urge you to keep living and **thriving** in that life!

- **1 Thessalonians 4:1** *The Voice*

The mission of the NBA Minister's Wives Fellowship is to provide wives **"encouragement in their work, family, marriage and ministry, connection to other ministers' wives, and care for them in the context of their specific need."** As I look back over my journey as a minister's wife, I am reminded of the joys, challenges, heartaches, blessings, disappointments, and victories. I am grateful for the women who supported and encouraged me on the journey. God has called me to make myself available as a prayer partner and encourager as they were for me. My prayer is for our team to develop a community, events, and ministries that will prevent wives from feeling isolated and alone and will help ministers' wives find the strength and encouragement for their journey.

The following events, ministries, and gatherings were planned for NBA Ministers' Wives for 2020-2021

## **Ongoing throughout the year:**

- Mentors provided for Wives

# Church Planting Strategist

*Dwayne Lewis*

Our church planting philosophy is to see new churches planted throughout every community in Nashville, TN. With all the growth and gentrification, Nashville has been identified with new names like, the Athens of the South, Music City, the “It” City and The Other Coast. Year after year we see the expansion of the borders of Nashville, and it is reported that out of all the cities in U.S.A., Nashville is ranked twenty-third (23rd) by population.

We know God is still at work in Nashville, and we want to join Him on His mission to make Jesus known to every man, woman, and child. To carry out that philosophy, the church planting team and I are committed to resourcing, mobilizing, and equipping church planters and their churches to carry out the vision God has assigned them.

When spending time with church planters, we get to the nuts and bolts of church planting. Many come with great intentions, but when things fall out of order, it becomes evident that there was no firm foundation built. As a leader and church planter, it’s important to know where you’re heading so you can direct your time and energy to that end. One of the ways to keep focus is through prayer to help the planter discern God’s path for the years ahead. It is during prayer time God’s Word will be a lamp upon their feet and a light on their path (Psalm 119:105).

While we didn’t know for certain what God had in store for 2021, we did know that He was still working. With the presence of Covid-19 and Covid-Delta still ravaging our nation, getting the gospel out to the masses is of Kingdom importance. Amid this crisis, we remember the words Apostle Paul penned: *But thanks be to God, who gives us the victory through our Lord Jesus Christ.<sup>58</sup> Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord* (1 Corinthians 15:57-58 NKJV).

This is where the church planting team comes in to assist church planters to become more creative in reaching neighborhoods and communities. Amid the pandemic and growth in Nashville we know that church planters and their teams need assistance with the plans and strategies given by God. Once a church planter aligns with God and agrees to the process, we know that God begins putting things in motion. I believe that this pandemic has caused us to rethink and reimagine our approach to worship, outreach, and church gatherings to embrace new methods and styles to present the Gospel of Jesus Christ.

Over this past year we have still made significant impacts in recruiting, coaching, assessing, equipping, and resourcing our NBA church planters. As I took time with church planters and bi-vocational planters during this time, I was able to assist them with regathering strategies, leadership development, MissionInsite demographics, membership assimilation, discipleship and leveraging technology.

### **Church Planting Process:**

We understand that church planting is not for everyone (Matthew 22:14) and not to be done alone (Ephesians 4:11-13). Our goal is to build and plant healthy churches to multiply the Body of Christ in the earth realm. To establish this motto, we must begin with healthy church planters, healthy partnerships, basic training, and church planter coaching.

# Revitalization Team

*Rusty Sumrall*

Revitalization is one of our four priority areas, helping existing churches navigate their journey forward: We facilitate new life in churches that are in transition through discerning, resourcing, and bringing clarity to God's purpose and vision for their future.

**The Team:** The NBA has formed a Church Strengthening Team (CST) that is comprised of local pastors and lay leaders who are committed to conveying next level initiatives and transformation that activates ripple effects of church growth and new life.

**The Approach:** The CST is here to work with you and get clarity through hearing your story of the current condition of the church. It's at that intersection we map out what's next. We are not here to dominate, we are here to coach, identify, advise and do ministry with you. Through that information exchange, the CST will develop and provide a customized strategy to dig the wells of living water again in your church (Genesis 26:18). Let's collaborate and create a path for church growth together. Please don't hesitate to contact our CST.

**The Fundamentals:** Churches that seek help must consider the following fundamentals:

**First,** there is not a quick or an easy answer. Understanding your story is our first task. Strengthening your church requires change, which can be time consuming and difficult.

**Secondly,** the team will get an accurate picture of the church's current condition and create a church portfolio.

**Thirdly,** CST will give recommendations to church leadership, toward "What is God's best for the church?"

**Finally,** when the CST has done its due diligence in assessing the condition of the church, then we communicate the findings to congregations in a helpful way.

We have had conversations with four churches this year that are in various stages of the revitalization process. Please pray for healthy churches that will adopt a struggling church to help them move to a better future in serving Christ in their location.

# Connections

The purpose of the Connections priority is to bring together leaders, resources, and missional strategies in partnership between churches. We plan to do this through consistent communication, strategic networking and intentional relationship building.

This focus is a part of and works together with the other 3 Focus Areas of the NBA. This past year our goal of hiring a new staff person to guide our Connections Ministry was put on hold due to Covid-19. However, the focus remains vital and alive through our Toy Store, Disaster Relief, Ministry Assistants/Secretaries, VBS, Bible Drill, WMU and many more.

# Toy Store

*Pat Malone, Director*

## 2019 NBA Toy Store Statistics

<u>From 1951–2019</u>	
Children Served	104,881
Families Served	37,627
Decisions	2,280

As you may notice, we don't have any updated statistics for 2020's Toy Store, because we weren't able to have one!

In 2019, we changed location from Shelby Avenue Baptist Church to Hope Church (previously Eastland Baptist Church). We look forward to working with Hope Church again in 2022.

Despite the challenges 2020 brought, some individual churches were able to keep the spirit of the Toy Store alive in the NBA.

Crievewood Baptist served their community with Christmas Blessing and helped 30 families. Grace Baptist distributed toys, gifts, and food to 14 families as part of their Christmas Mission. New Season was able to serve 10 families with toys and give out 500 backpacks to children in apartments near their church.

# Ministry Assistants/Secretaries Ministry

*JoAnn Howard*

What a year we have had!!!! I want to encourage all of our church Ministry Assistants/Secretaries! You have accomplished so much this year. From being homebound and trying to do your job remotely to going into the office to keep our churches connected!!! I am so proud of the work you have done through this pandemic. Because of all the restrictions, we have not been able to meet with each other. Please know that we at the Nashville Baptist Association are here for you. We want to help you in any way you may need.

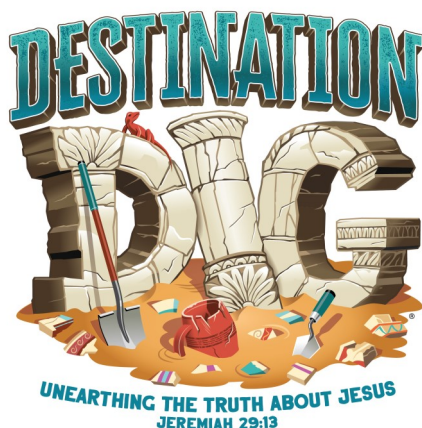

We look forward to a new year of opportunities for training, encouragement, and networking.

## Vacation Bible School

*JoAnn Howard and Cindy Davison*

This year we had our VBS Clinic on Tuesday, April 20, 2021 at Hermitage Hills Baptist Church. It was so nice to be able to attend in person. 10 different churches participated with breakout sessions ranging from Babies-Preschool, Children, Music, Snacks & Crafts, Recreation, and Directors.

The theme for this years VBS was Destination Dig! We were headed to present-day Israel where discovery awaits at the Dig. Kids unearthed more than dirt as they dug up exciting evidence that proves biblical events were not just stories. As junior archaeologists, kids explored real-life archaeological finds that have helped to uncover the truth about Jesus!

Director: *Linda Dice*

The Nashville Baptist WMU has been really busy this year working on our Annual Meeting. It was held August 21, 2021 at Judson Baptist Church. We had 10 Missions Displays set up in the lobby.

Our theme this year was “That the World May Know.” The program consisted of music by Isabel Britton and Linda Langiotti.

Our speakers were Charles and Shannon Worthy, who spoke about their missionary work in Italy. They showed some videos of their work and their children’s work.

We had a silent auction and raised \$265 for the WMU Foundation. We also collected gift cards for our Christmas in August. A total of \$825 that was sent to our chosen missionary.

Things discussed at the meeting included our need for volunteers to serve on our Leadership Team. Among the most important are Assistant Director and Secretary. We are praying that someone would feel the calling to serve on our team.

At our next meeting we will be planning for the “World Day of Prayer,” which will be November 1, 2021, at Brookhollow Baptist Church.

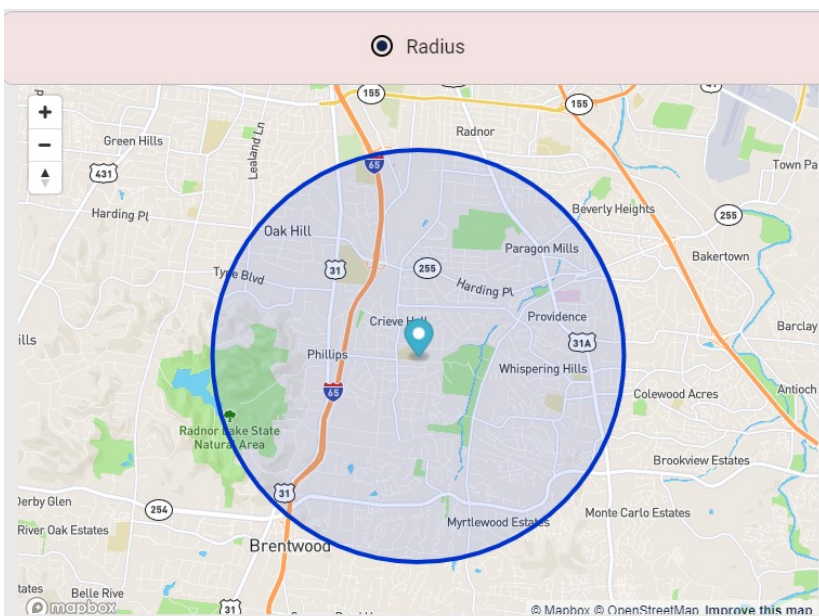

# MISSIONINSITE

*JoAnn Howard and Dwayne Lewis*

We are excited to offer a new demographic program to our NBA Churches. MissionInsite is a computer program that provides a variety of up-to-date information about neighborhoods, streets, and individuals living in our communities. The information provided by MissionInsite can be very helpful to churches as a tool to specialize and focus ministry. The NBA office can provide and interpret reports for churches as a part of the NBA Ministry.

MissionInsite provides statistical data and information on Religious/Spiritual Attitudes and Practices, Social & Moral Values and the Faith Involvement of those in our communities.

This program has assisted over 70 NBA churches in making sound strategies to connect with their communities.

MissionInsite gives a unique picture of community needs, potential growth, and target areas for ministry strengths.

Let us help you discover what matters *most* in your community.

# Recreation

*Alicia Darnell*

The Recreation Ministry of the Nashville Baptist Association connects churches through organized sports; helps churches establish, conduct, enlarge, and improve their recreation programs; and plans and directs recreational activities for the association as a whole.

Our goal is to provide opportunities for churches to connect with other churches and to engage their members and prospects in recreational experiences through fellowship, lifestyle discipleship, and evangelism. We offer monthly golf scrambles throughout the spring, summer, and fall.

## **The 2020-21 year in review**

### **Golf**

Beginning this year, we shortened our golf season to May through September, for health and weather concerns. We are so thankful for the patience of our players who faithfully attend each year!

We had five tournaments, averaging 40-55 players divided among 12-14 teams across three flights: open, 55 and up, and 70 and up.

**The Recreation Ministry is totally funded through the fee charged for each sport.**

If you would like to participate in the NBA Recreation ministry or enter a team in one of the leagues, please call Alicia Darnell at 615-259-3034 or email [adarnell@nashvillebaptists.com](mailto:adarnell@nashvillebaptists.com). Or go to <http://www.nashvillebaptists.com/recreation> for current league information.

# Begin Anew of Middle Tennessee

*Heather Norvell*

In 2020, regardless of income, gender, or race, we all experienced a **Season of Change**. No one could have predicted what this past year held but Begin Anew became a safe haven for all students. Bible studies offered the comfort of feeling known and cared for by name. Online learning provided students the opportunity to study at their own pace with flexible scheduling, which proved beneficial with children often attending school virtually from home and a constantly changing work environment due to local mask and social distancing guidelines. Finally, Begin Anew thrived with connecting students to resources such as rent and utility assistance, clothing, food, counseling services, medical needs, internet connectivity, etc. These essential resources equipped students to continue their education by helping them overcome obstacles – part of our ongoing mission.

## Core Values of Begin Anew

- We believe everyone deserves a chance to begin anew and walk a journey to a brighter future. 2 Corinthians 5:17 proclaims, "Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come" (ESV).
- We seek to minister holistically to every individual by addressing economic, social, and spiritual poverty.
- We address economic poverty through education opportunities, social poverty through mentoring and building community, and spiritual poverty by sharing the gospel of Jesus Christ.

## Mission Statement:

Begin Anew empowers individuals to overcome obstacles caused by poverty by providing education, mentoring, and resources.

## Vision Statement:

Teaching one generation to change the next.

## 3 Education Opportunities (along with weekly Bible study):

1. HiSET Preparation & Training – High School Equivalency Test (5 Core Subjects: Math, Reading, Science, Social Studies, & Writing)
2. ELL Classes – English Language Learning
3. Computer & Job Skills Training – (Word, Excel, Windows, Outlook, & PowerPoint along with skills such as building a resume, interview techniques, budgeting, goal setting, etc.)

**BAPTIST COLLEGIATE MINISTRY**  
at Belmont

The 2021-2022 academic year will be a year of new beginnings for Belmont BCM. Covid-19 restrictions on campus prohibited and in-person student organization gatherings for all of 2020-2021 school year; therefore, we plan to bring back some of our old ministry programming and re-launch in person D-Groups and weekly free lunch. The BCM will receive new leadership as we seek the next person to serve as campus minister for Belmont BCM and the university will inaugurate a new president after the long tenure of Dr. Fisher. There is a great anticipation and excitement that accompanies newness and we pray for God's favor and his glory to shine through it all.

**LIPSCOMB**  
BCM

**BAPTIST COLLEGIATE MINISTRY**  
at Lipscomb

At Lipscomb, we plan to continue to build upon the strong foundation created over the course of the last three years of BMC. The University prohibited in-person student organization gatherings throughout the Covid-19 pandemic, but we are hopeful to return to meeting in person and on campus. BCM maintained small group Bible studies and led in men's chapel throughout the pandemic. We hope to simply build upon these two great ministry opportunities all while continuing to foster relationships on campus and engage students in Gospel conversations.

**BAPTIST COLLEGIATE MINISTRY**  
at Vanderbilt Place

We approach the 2021-2022 academic year with excitement and expectation. The BCM building will remain closed much of the Fall semester as we undergo a significant building renovation. The focus of BCM will remain the same — Love, Serve, Disciple. We will continue Thursday Nights Together and seek to engage non-believers through outreach on campus and through outings at locations convenient to campus. BCM will serve the campus community, the Nashville area, and beyond through mission opportunities (we are excited to travel again). D-Groups will continue to be our primary ministry element as we seek to engage every student in a small group setting around God's Word and community.

## STAYING FOCUSED IN THE MIDST OF CHANGE: A STUDENT HIGHLIGHT

RCM is spotlighting students that are making a difference on the campus each semester. Our spotlight this semester was Aspen Gorman. Aspen Gorman is from Birmingham, AL, and graduated this past semester from Tennessee State University, with a BA in Business Information Systems.

Aspen Gorman's campus experience involved much leadership (also with RCM as President) with many different opportunities on campus as well as volunteering within the community. She has been a Tiger Tour Guide, member of NACWC Women Of Empowerment, the President of AITP and an athletic hostess. Aspen loves spending time with her family and friends, helping others, and embracing technology. Upon graduation she plans to relocate to an area where she can begin her career in business and technology.

Aspen has continued to be connected with RCM in many ways, even after graduating this May 2021. We celebrate Aspen and support all that she does now and the future to come. We know that she will make us proud in the future.

## OUR PROGRAMMING

RCM is taking a strong focus on purposeful programming by targeting incoming new students. We will present this fall semester online programming, such as online Bible studies and event gatherings. These new ventures will be in connection with the campus's Resident Directors and our yearly partnering organizations. In compliance of the culture (COVID-19) at this present time we are taking this online approach.

These are the programs we present as ministry to each campus this Fall and Spring 2021-2022:

**In Depth Bible Study** – Biblical Study for Fall

**Discipleship Unlimited** – Ministry professionals teaching the gospel with specific topics

**Men Focus Group** – *Real Men Talk* Resident Life Program

**Women Focus Group** – *Esther's Voice* Resident Life Program

**Work Study Program** – Partnering with the universities to help provide internships and skill training with partners

## DONATE AT [WWW.RESTORATIONSCORNER.COM](http://WWW.RESTORATIONSCORNER.COM)

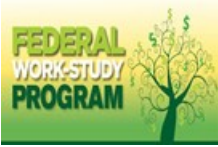

Our fund-raising arm called "**Restore**" helps fund our programming for upcoming semesters, and director's yearly salary. We are in the midst of planning our budget now to raise each year a goal of \$10,000.00 to maintain the ministry. We are asking churches, businesses, and individuals to give from \$5 up to \$1,000.00. By making this commitment you become a major partner with us in reaching students for Christ. You can also donate online at [www.restorationscorner.com](http://www.restorationscorner.com).

An overview of budget and plan for sponsors can be provided as donors make decisions towards giving.

We would like to thank all of our organizations, churches, and individuals who have prayed, supported, and now partnered with the vision of this ministry. It is with great gratitude and humbleness we have experienced sustainability and success. This is not an easy work, but we know we are called to make a difference in the lives of collegians.

### **Needs**

- 1) Student Internships
- 2) Book Scholarship Funds
- 3) Prayer Partners for Students

## 2015 Work-study Program

The vision of RCM is to connect and embrace the students in every area of their lives. One of the ways we feel very honored to connect with the student and offer some real training is through the federal work-study program through the universities. Yes, each semester we hire students to help run our ministry. Students actually get on hand work experience by helping us and even some of our partners in community. We try very hard to connect them in their field of education making sure they receive all training they can receive through us before entering the workforce when they graduate. This fall we looking to hire students again in RCM and help some partner organizations with internships.

# Southeast Asia Partnership

Transforming Surfing Communities in Southeast Asia

We are grateful for the continuous support and partnership of Nashville Baptist Association. This year has been refreshing, renewing and filled with new possibilities. In May we returned to Southeast Asia from a six-month sabbatical. Resettling back into Southeast Asia was more challenging than we imagined, but after a couple of months we have returned back to our normal rhythms.

Covid continues to surge throughout Southeast Asia. Just in the last couple of weeks the restrictions are easing. We are very grateful we were able to reconnect with most of our national workers in June. Many of them are struggling financially because of the lack of tourism, but spiritually they have grown closer and more dependent on the Lord.

In the past year we have seen several new people come to faith. Several of our teams have formed new 'house churches' and continue to make disciples in small groups. We had new team members join two of our teams. It is evident God has sustained and even grown our ministry through the pandemic.

Locally in our town we are also seeing a more openness amongst the surfing community. We continue to encourage a small faith community of Indonesian business owners. We are praying they will continue to grow in their faith and find ways to use their influence for kingdom growth. We are also preparing a new team to move into an unengaged people group next year.

Blessings

Your Southeast Asia Partners

# Legacy Churches

**Legacy churches** are NBA churches that disband with a plan to continue their ministry through the Nashville Baptist Association. These churches have created an account with the TBMB Foundation that will be administered by the NBA. The funds created through these accounts will be used for missions in Nashville.

The following churches have partnered with your Association to create legacy funds:

**Brookside Baptist Church — 1982**

**Friendly Chapel Baptist Church — 1996**

**Lyle Lane Baptist Church — 2005**

**Calvary Baptist Church — 2013**

**Woodbine Baptist Church — 2014**

**Revive Church — 2014**

**Bordeaux Baptist Church — 2017**

The NBA has been blessed to distribute more than \$1 million to churches in the NBA to be used locally from the legacy gifts of these churches.

If your church would be interested in the NBA Legacy Church Plan, contact Rusty Sumrall at 615-259-3034.

The Brookside Fund was started from a gift in the amount of \$325,164.56 from Brookside Baptist Church in 1982. # History Committee

*Charles Parker*

This year the NBA History Committee has continued meeting via Zoom and occasionally face-to-face planning an observance and celebration of our 120th anniversary at the 2021 annual meeting, While inviting our two former living directors of missions, Dr. Carl Duck and Brother Jim Freedman, we are aware that they may not be able to attend due to Covid-19.

We are continuing to work with videographer Brian Ellison in the production of a video presentation of highlights of the history of our association with a special emphasis on the last fifty years, along with filming interviews with directors of missions for a historical archive.

Work is still ongoing for a book that will update the history of our association and its churches. The last book, *Acorns to Oaks*, was published about 1970 and covered the history of Baptists in Middle Tennessee from the 1700's and of the NBA from its inception in 1900. A *Forest of Oaks by the River and Beyond* will probably be published after this year's meeting. A copy will be sent to each church in the association, and other copies may be ordered from the association. We anticipate an announcement with details about this at the annual meeting.

# ACP Reports

The Annual Church Profile (ACP) is your tool for reporting your church's leadership, growth, and vital information to your local association. When you keep us informed about your leadership and staff changes, we can communicate about a ministry with the people who are involved in that ministry. When you complete your ACP and give us information about the numbers of people involved in different ministries, we can use that data to help you with appropriate resources and networking. The ACP is used to verify with the IRS that your church is a Southern Baptist church.

***Please complete your 2021 ACP and return it to the NBA by November 1.***
